

HousingChoice PROCESS FLOW

Landlord & Tenant Operations

End-to-end SOP · From Cold Call to Signed Contract

This document maps the complete operational process across two tracks — Landlord Onboarding and Tenant Intake — through to lease execution. It is intended as an internal SOP and foundation for productization.

TRACK 1: LANDLORD ONBOARDING

Step 1 COLD CALL · First Touch (Manual) - AI transcription from call

- Reach out via Affordablehousing.com
- Deliver cold call spiel — introduce myself, ask if they need help finding tenants, non exclusively; let them know I have 45 4 bed voucher holders etc.
- If they say yes- then ask when is a good time for onboarding call (~10 minutes)
- Ask: "Do you have time right now, or is there a better time that works for you?"

Step 2 WELCOME & DOCUMENTATION · Same Day- AI transcription from call

- Send welcome email
- Send contract for review and signature via DocuSign

Step 3 ONBOARDING CALL · ~10 Minutes (Manual) - AI transcription from call

- Confirm which side voucher they need
- Confirm expected rent amount
- Confirm utilities tenant is responsible for
- Confirm hold fee, deposit, LIF
- Walk through logistics for tour coordination
- Set communication expectations: text is the preferred method
- Explain group text
- Verify landlord is a registered landlord
- Confirm they will submit the RTA within 48 hours
- Confirm they will pass the inspection on the first try

Step 4 PROPERTY INTAKE · AI transcription from call and text

- New property added to Database with:
 - ❖ Address, pictures, video, Bed / bath count
 - ❖ Voucher size needed (e.g. 3bed/2bath accepting a 2BR voucher)
 - ❖ Getting Zillow link
 - ❖ All property information is coming via text
 - ❖ Generate a 'Listing Link' (address, bedrooms, bathrooms, sq footage, w/d hookups, app fee, qualifications, pictures, videos, picture of outside of house)

TRACK 2: TENANT INTAKE & SCREENING

Step 1 INITIAL CONTACT · Inbound

- Tenant reaches out via:
 - Text
 - Ask first name, last name, voucher size, and housing authority
 - Then Move to phone call for prescreening
 - Tenant will share preferences
 - Call
 - Ask first name, last name, voucher size, and housing authority and all prescreening questions
 - Tenant will share preferences
 - In-person Housing Fair meeting
 - Manually add via form- first name last name and voucher size
 - Form goes into airtable directly
 - QUO saves contact
 - QUO sends welcome text
 - Need QUO to send properties based on preferences/criteria

Step 2 PRE SCREENING · Prescreening

- First name, last name, voucher size, and housing authority
- Any evictions? (Yes / No / Details)
- Pets? (Yes / No — Type & size if yes)
- Screening- evictions, how long they've been at current residence, LIF eligibility
- They will share any preferences

Step 2 CONTACT CAPTURE · CRM — Database + QUO

- Work phone auto-saves contact with Name, number, voucher size, housing authority
- Contacts automatically pushed to database
- Prescreening information also sent to database

Step 3 DATA COLLECTION ENTRY ·

- All call and text data is sent to database and stored in a table

TRACK 3: PROPERTY SHARING & MATCHING

PHASE 1 TABLE FORMATTING

- Property Intake and Tenant Intake
 - Ensure all data is formatted correctly

PHASE 2 MATCHING ENGINE · Automated

- System cross-references property against tenant database
- Matches based on voucher size eligibility
- Surfaces all qualifying tenants for that property
- Internally have ranked properties based on priority on which ones should be shown first

PHASE 3 OUTREACH TO MATCHED TENANTS · QUO — Text

- Send property details to matched tenants via text
- Ask if they would like to schedule a tour
- Track those who are interested and want to tour

PHASE 4 TOUR SCHEDULING HANDOFF

- Schedule tours via text with QUO messages
- Send reminders
- 'Text me when you're on the way'
- Housing tour handling in database

PHASE 4 ALREADY HOUSED / NOT LOOKING ·

- If tenant is no longer looking- Update Database and QUO contact
- Stop sharing properties and following up with them
- Send save-for-later text: "Thanks for letting me know! I get new properties every week — if your situation changes and your RTA falls through or when you go to move next time please reach out to me. Also if you know anyone with a voucher, please share my contact info."

TRACK 4: TOUR SCHEDULING & LOGISTICS

PHASE 1 CALENDAR SYSTEM · Tool TBD

- Central calendar to house all tours
- Must support same-day scheduling
- Built-in text reminders for:
 - ❖  Tenant
 - ❖  Landlord / Property Manager

PHASE 2 PROPERTY-SPECIFIC COORDINATION · Per Property

- Determine tour type for that property:
 - ❖ Self-guided with lockbox — preferred / scaling direction
 - ❖ Landlord-coordinated — sync with landlord directly
 - ❖ Property management team — coordinate with their system

⚠ **NOTE:** Every property has its own tour system — this is the primary friction point

PHASE 3 SELF-GUIDED TOUR SETUP · Scaling Goal

- Research and select lockbox vendor (e.g. Rently, Igloohome, Rentlee)
- Collect tenant ID before releasing access code
- ID collection system needed (photo via text or platform)
- Release code in real time once ID is confirmed

PHASE 4 DAY-OF LOGISTICS · Execution

- Confirm tenant has tour details via text
- Confirm landlord/PM is aware if applicable
- Tenant shares photo ID
- Send access code in real time

Open Questions — Tours

- ? What calendar tool supports text-based reminders? (e.g. Calendly + Twilio, YouCanBookMe)
- ? Which lockbox company to move forward with? (Rently, Igloohome, Rentlee, etc.)
- ? How to standardize ID collection at scale? (Airtable form, text-to-link, etc.)
- ? Can we just use conversational AI to extract data?

TRACK 5: POST-TOUR & APPLICATION

PHASE 1 TENANT FEEDBACK COLLECTION · Via Text

- Reach out via text after tour
- Ask: What did you think? Would you like to move forward?
- Record feedback in Airtable

PHASE 2 NOT INTERESTED / WRONG FIT · Re-Match

- Log reason in Airtable
- Re-enter matching engine with feedback in mind
- Share a new property and restart tour flow

PHASE 3 INTERESTED — MOVING FORWARD · Application

- Send application to tenant
- Follow up to confirm they received it
- Follow up to confirm they completed it
- Follow up with landlord to confirm they received it and approved it

PHASE 4 RTA RETRIEVAL · Documentation

- Facilitate RTA retrieval process with tenant
- Follow up to ensure RTA is submitted within 48 hours
- Confirm all documents are in order

TRACK 6: GROUP TEXT FORMATION

PHASE 1 Once RTA is submitted · Once Approved + RTA Submitted

- Create group text with Tenant + Landlord
- This is the primary communication channel going forward

PHASE 2 ATLANTA HOUSING PROCESS · ~4 Weeks

- Waiting on inspection date
- Rent determination underway
- Tenant portion being analyzed
- LIF eligibility being determined

PHASE 3 TENANT ACTION ITEMS · Follow Up Weekly

- Tenant send email to Gabby & Kris to confirm LIF eligibility
- Obtain denial letters from required locations
 - ❖ Share with tenant exactly where to go to get each letter
- Follow up weekly over 4 weeks to ensure completion

PHASE 4 LANDLORD MANAGEMENT · Accountability

- Follow up to ensure landlord is completing their requirements
- Keep landlord engaged and accountable

⚠ **NOTE:** Landlord follow-through identified as major friction point

PHASE 5 CONFIDENCE & RETENTION · Both Parties

- Proactively reassure both tenant and landlord throughout
- Regular check-ins via text to maintain momentum and trust
- Goal: neither party backs out before completion

PHASE 6 RENT DETERMINATION NOTIFICATION · Inbound

- Receive notification of rent determination amount
- Log amount in Airtable

PHASE 7 Tenant Takes up Residence of Property · Both Parties

- Tenant signs lease and contract, often follow up with both of them
- Tenant takes up residence of the property
- This is the finishline

TRACK 7: INVOICING

PHASE 1 INVOICE · Outbound to Landlord

- Generate and send invoice to landlord for determined rent amount
 - Payment is due once the tenant takes up residence of the property
-

TRACK 8: Replacing myself

VIRTUAL ASSISTANT SUPPORT · VA Role (Replace myself)

- VA works with tenant to identify the right property fit
- Tracks preferences and narrows property search
- Follows up to ensure:
 - ❖ Application is completed and submitted
 - ❖ All tenant documents are submitted
 - ❖ Landlord has also submitted their documents
